

**FINISHED SIZE INCLUDING POCKETS**

30" x 60"

**POCKET SIZE**

3" TOP  
3" BOTTOM

This template is design to fit rods no bigger than 1" in diameter. The lay flat pocket would come to 3" after hem.

**LEGEND**

**IMPORTANT**

It's **HIGHLY** recommended to **keep pockets a solid colour.**

Important text, logos, & graphics should be **KEPT OUT OF POCKET AREA** to avoid getting cut off by hem or misaligned.

**DESIGNER**  
**CHECKLIST**

**COLOURS**

- Use CMYK Colour Mode.
- For PANTONE Solid Coated colours, define using 100% values.
- Do NOT use spot colour percentages (ex. 40% of pms300c).
- Minimize use of gradients and avoid light colour blends.

**BACKGROUND**

- Extend background to cyan line, but keep important text and logos within black and dashed lines.
- Ensure that important graphics are not in the grey flipped area.

**FONTS**

- Convert ALL fonts to outlines or curves.
- Minimize use of fine text.

**PHOTOS**

- Embed linked graphics.
- Raster Graphics & Bitmap images should be embedded, at 100% and at 150 - 300 ppi.

**SAVING FILE**

- Do NOT flatten layers.
- Save as PDF, AI, EPS or SVG.
- Do NOT export as jpg or png.
- Ensure that no objects have "OVERPRINT" set to "ON".
